Sir,

In forwarding herewith the copy of letter No.222/TAD.A.II dated 22nd September 1928 received from the Comptroller, Mysore Government regarding the question of granting half holiday to the coolies, I have the honor to state that the coolies for whom half holiday is granted, work side by side with the permanent gardeners and attend the night watch, i.e., they will be on duty throughout 8 nights a month. For this overtime work they do, they do not get any extra wages. Hence, to compensate this, half a day's wages once a week when they do not work is given. If this concession is not shown to them there will be extra expenditure which will be double or trible the amount which is being calculated to be savings by the Comptroller. The coolies will not accept to work on monthly wages, if they are not given the benifit of at least this half-holiday.

This procedure is being continued in this Department for a number of years and this is both economical and advantageous to Government. I therefore, request that Government will be pleased to approve of this arrangement made by this Department in giving them half-holiday once a week with a view to compensate for the overtime work they do at nights.

I have the honor to be,
Sir,

With reference to your Memo dated 18-9-28 stating that the benifit of half day's wages once a week on which it is a half holiday is given to coolies in consideration of their services utilised for night watch i.e. eight nights in a month, I have the honour to request you to be so good as to obtain sanction of Government for allowing such a concession to coolies. The cooly bill for August 28 is passed provisionally under the circumstances explained pending sanction of Government.
